

Holistic Patient Counseling & Integrative Communication

Use this worksheet alongside the lesson video and reading. Submit your completed notes to your mentor or retain them in your digital portfolio.

Learning task: Prepare a patient-centered counseling plan using clear, respectful, shared-decision language.

Section	Your evidence / notes
1. Key concept	Define the central concept from this lesson in your own words.
2. Safety / quality checkpoint	List the check you would complete before proceeding and explain why it matters.
3. Applied case decision	Describe the action you would take in the case and the record you would create.

Completion checklist ☐ I watched the lesson ☐ I reviewed the reading ☐ I recorded my evidence ☐ I identified a question for my mentor
